AMERICA'S FINEST CHARTER SCHOOL

PK PLAN - SPRING, 2022

1. **Staffing - A portion of the funds we will receive will go towards the wages for the aides in our Kindergarten classrooms. We currently do not have space on campus for a PK classroom so PK students are included in our Kindergarten classes until space can be obtained.**

Salary for Two Aides - \$44,000

2. **Materials - A portion of the funds we will receive will go towards specific materials geared towards PK students. These materials will specialize in English Language acquisition for students who do not speak English at home. These materials will also specialize in early Math acquisition for students to begin to make one to one connections with numbers and find fun ways to connect with Math. Finally, these materials will include opportunities for PK students to receive social, emotional wellness instruction and practice at their level.**

Materials - \$8,000

3. **School Equipment - A portion of the funds will go towards purchasing classroom equipment for PK students.**

Equipment - \$5,000
