INSTRUCTIONS FOR PRESENTATIONS TO THE BOARD BY PARENTS AND CITIZENS

America's Finest Charter School ("School") welcomes your participation at the School's Governing Board ("Board") meetings. The purpose of a public meeting of the Board is to conduct the affairs of the School in public. Your participation assures us of continuing community interest in our school. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided:

1. Agendas are available to all audience members at the door to the meeting
2. Members of the public wishing to address the Board during Public Comment are requested, prior to the meeting, to submit to the Secretary of the Board their names and the subject on which they wish to speak. "Public Comment" is set aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Board can only listen to your issue, not respond to take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
3. Members of the public wishing to address the Board regarding items on the agenda are requested, prior to the meeting, to submit to the secretary of the Board their names and the subject on which they wish to speak. Regarding such items, you may specify that agenda item and you will be given an opportunity to speak for up to three (3) minutes when the Board discusses that item.
4. When addressing the Board, speakers are requested to state their name from the podium and adhere to the time limits set forth.
